Continuation of Substance of Interview including description of the general nature of what was discussed:  
Examiner requested and received attorney approval in making the following changes by an Examiner's Amendment: (1) In claim 1, lines 5-6, to delete the claim limitation "about 0.02 to about 2.0 parts by weight of tryptophan"; (2) In claim 1, line 10, to delete the claim limitation "understood to be"; (3) To cancel withdrawn claims 32-58. Applicant's representative authorized the above-noted claim amendments, which would overcome any possible 112-2nd paragraph indefinite issues, rendering the application in condition for allowance. A Notice of Allowability will be issued in due course.
